# POWERFUL. LIGHTWEIGHT. GREATER PRODUCTIVITY.

X-series means ECHO's best in class products. More power, lighter weight and performance that will noticeably increase your productivity. Designed for professionals who demand the best and highest quality tools.

## BEST-IN-CLASS FEATURES

Each model has specific, best-in-class features that are designed to help green space professionals perform their jobs better in their respective applications. Being lightweight and more powerful with features like vibration reduction and longer run times all contribute to getting one job done faster and moving onto the next.

## WITHSTAND TOUGH CONDITIONS

ECHO X Series equipment is so extreme, that only the hardest working and committed can challenge the limits of its capabilities. The equipment is tested in extreme conditions to assure easy starting and smooth operation, whatever the environment. Large fuel tanks and super efficient, low emission engines allow for extended run times. Better air filtration is provided by using heavy-duty systems that minimise risk of engine troubles and prolong maintenance cycles.

## LOW WEIGHT. HIGH POWER. GREATER PRODUCTIVITY

ECHO X Series engines make this lineup exceptional. They offer a revolutionary combination of low weight and high power to get jobs done faster with less fatigue.

## 5 YEAR DOMESTIC WARRANTY

---

5 years is a long time. Longer than you'll get from most of the equipment you buy. That's because we stand behind our products. We've been building equipment for professionals for over sixty years and that has given us an exceptional level of engineering and manufacturing expertise. As a home owner, you want long-term dependability enjoyed by professionals, and a well-built product that you can buy with confidence.

## 2 YEAR PROFESSIONAL WARRANTY

---

Yes, you did read that right. You can have absolute confidence in our equipment. ECHO is designed to be durable and to do what you ask it, wherever you take it. Not only that, our products are built to the highest standards of quality and performance. Our warranty is our statement of confidence and our badge of honour.
